

# Level 1 Fire Awareness

This qualification is designed to provide employees with the necessary basic understanding of fire and fire procedures to assist the organisation with its legal obligations.

This course meets the minimum requirements under the Regulatory Reform Order (Fire Safety) 2005, but organisations who wish to benefit from a greater understanding of fire and fire prevention, and training in the use of extinguishers on live fire, should consider the Fire Marshal Course.

*'Helping you deliver  
a duty of care'*

Phone: 01524 220 221

## Who Should Attend

This qualification is for all employees as part of their induction or continuation training. (Staff with specific duties in the event of fire should attend the Fire Warden course).

## Learning Outcomes

By the end of this course delegates should be able to:

- Demonstrate an awareness of the dangers of fire
- Demonstrate an understanding of the nature of fire and how it spreads
- Demonstrate an awareness of simple fire prevention measures
- Demonstrate an understanding of how to safely evacuate the building
- Distinguish between different types of fire extinguishers

## Course Content

Delegates will receive training in the following subjects:

- Regulatory Reform Order (Fire Safety) 2005
- Fire Law (in brief)
- Chemistry of Fire
- Basic fire prevention
- Fire procedures in the workplace
- Responding to the fire alarm
- Responding to an outbreak of fire
- Evacuation procedures
- Fire Extinguisher (Types / Colour Coding / Correct Application / Capabilities & Limitations)

## Course Duration

The course is ½ day in duration (3 hours + exam)

## Assessment Method & Certification

The assessment will be by the completion of a multiple choice question examination at the end of the course. On successful completion of the course, delegates will receive a certificate of competence, which is valid for 3 years.

Candidates wishing to obtain a Nationally Accredited Certificate would sit the exam for the relevant Awarding Body (for the additional price of the certification and exam fee of the Awarding Body).

For this Qualification we can currently offer certification from the following Awarding Bodies:

**CIEH (The Chartered Institute of Environmental Health)**
