

# Level 2 Fire Marshal

This qualification is designed for staff with a designated responsibility as fire warden or fire marshal, and provides the skills and confidence that will allow them to carry out their duties relating to fire safety and emergency procedures. The number of fire wardens that your organisation requires depends on the building design and use. In addition you should train extra staff to cover for holidays and illness.

## Who Should Attend

This qualification is for staff with designated responsibilities in the event of a fire and in the prevention of fire in the workplace.

## Learning Outcomes

By the end of this course delegates should be able to:

- Demonstrate an awareness of the dangers of fire
- Demonstrate an understanding of the nature of fire and how it spreads
- Demonstrate an awareness of fire prevention measures
- Demonstrate an understanding of what to do in the event of a fire alarm
- Distinguish between different types of fire extinguishers
- Demonstrate an understanding how to tackle small fires safely and effectively
- Demonstrate an understanding how to perform their fire safety duties

## Course Content

Delegates will receive training in the following subjects:

- Regulatory Reform Order (Fire Safety) 2005
- Fire Warden Responsibilities
- Assessing Fire Risks
- Spotting and Reporting Hazards
- Basic fire prevention
- Building fire protection
- Evacuation procedures
- Chemistry of combustion
- Fire Extinguisher (Types / Colour Coding Standards / Correct Application / Capabilities & Limitations)
- Practical fire fighting (use of extinguishers)

## Course Duration

The course is 1 day in duration (6 hours + exam)

## Assessment Method & Certification

The assessment will be by the completion of a multiple choice question examination at the end of the course. On successful completion of the course, delegates will receive a certificate of competence, which is valid for 3 years.

Candidates wishing to obtain a Nationally Accredited Certificate would sit the exam for the relevant Awarding Body (for the additional price of the certification and exam fee of the Awarding Body).

For this Qualification we can currently offer certification from the following Awarding Bodies:

**CIEH (The Chartered Institute of Environmental Health)**
